PRODUCT INFORMATION

■ **Design & Construction:** 18 ga. stainless steel frame construction with welded vertical corner supports and 16 ga. stainless steel top. Installed on the top is a raised ambient display case (Self-Service or Full Service). These units include a full length stainless steel undershelf, stainless steel removable front & end panels and 3" diameter adjustable casters.

■ **Design Features:** Ambient display case has sliding rear doors, glass ends and curved glass front (Self-Service or Full Service). Undershelving is provided with a rear turn-up and is held short to create a utility access area without blocking the storage space.

■ Display Merchandiser:

Standard Features:

- Attractive curved glass styling.
- Adjustable black wire shelves. Shelves are adjustable up and down and can also be tilted in two positions. Two tiers.
- Tempered front and end glass.
- Shielded top light and shelf lights.
- Removable sliding rear doors, shelf lights, shelf supports, and shelves.
- Scratch-resistant black display deck.
- Easily accessible light switch.
- Black painted metal and stainless construction. Black trim.
- Designed for continuous line-ups.
- Cord and plug (six foot).
- UL Safety and UL Sanitation Listed.

Note: Self Serve Model has (3) three hinge lift-up front door that allows for customer access.
