### PRODUCT INFORMATION

■ **Design & Construction:** 18 ga. stainless steel frame construction with welded vertical corner supports and 16 ga. stainless steel top. Installed in the top is a raised refrigerated frost top. These units include a full length stainless steel under-shelf, stainless steel removable front & end panels and 3" diameter adjustable casters.

■ **Design Features:** Frost top is raised 1-1/2" and sloped to 1/2" drain. Undershelving is provided with a rear turn-up and is held short to create a utility access area without blocking the storage space.
