### PRODUCT INFORMATION

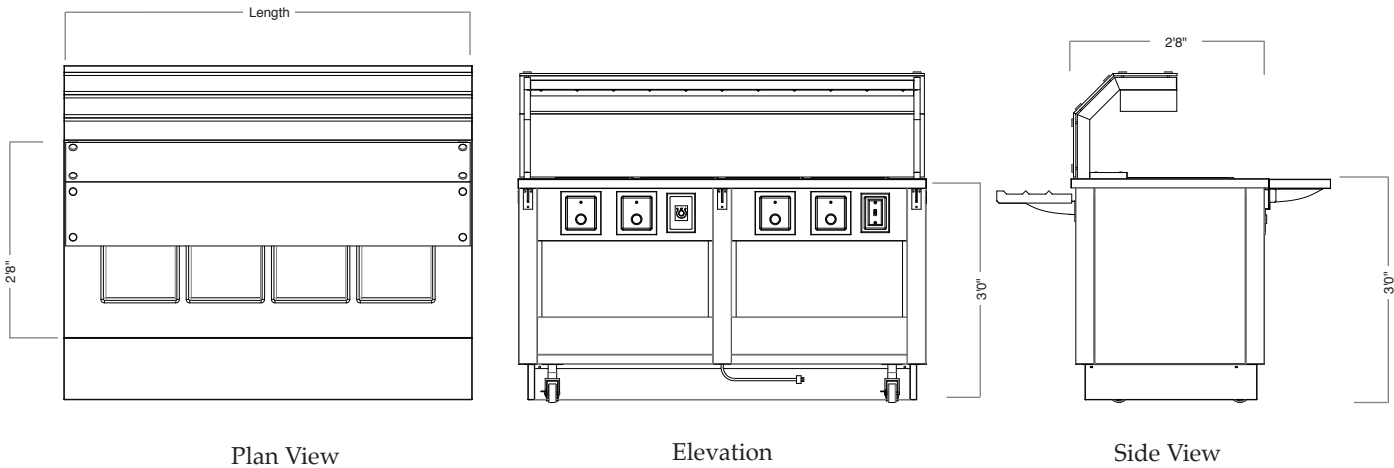

■ **Design & Construction:** 18 ga. stainless steel frame construction with welded vertical corner supports and 16 ga. stainless steel top. Installed in the top are 12" x 20" hot food wells with drains. These units include a full length stainless steel undershelf, stainless steel removable front & end panels and 3" diameter adjustable casters.

■ **Design Features:** Undershelving is provided with a rear turn-up and is held short to create a utility access area without blocking the storage space.

# Hot Food Counter
